VII. RATIONALE

"Barangay Tanod Security and Rescue Skills Enhancement Trainings" is a project to be implemented in Barangay Garang to assess the level of effectiveness of the Barangay Tanod in maintaining peace and order in the Barangay. Maintaining Peace and Order could not be realized if the responder don't know what to do. Barangay Tanod plays an important role in the development and progress of the barangay. It is one of the implementing mechanism of the Barangay Peace and Order Committee (BPOC), which has the primary task of ensuring that peace and order prevail in the barangay.

Peace and order in local communities translates to a sense of a shared feeling of security among the citizens. People who have this sense of security are more likely to participate in community activities that aim to improve the livelihood and well-being of all, in these sense the maintenance of peace and order is part of the foundation for genuine, community-based development. Through the trainings and skills that the Barangay Tanod could learn, they could apply it in maintaining peace and order in their Barangay.

VIII. OBJECTIVES

1. To To discuss the structure and organization of the Barangay government and relate their duties and responsibilities to the overall governance system;
2. enhance the skills and capabilities of the Barangay Tanod in maintaining peace and order.
3. To perform basic skills needed in the performance of their duties and functions in such areas as crime prevention disaster management service responder first aid and water survival and fire prevention;
4. To institutionalize and strengthen it as a Barangay Peace Action Team and force multipliers in the overall maintenance of order in the Barangay.

IX. PROJECT DESCRIPTION

"Barangay Tanod Security and Rescue Skills Enhancement Trainings" is a project created by the institute of Criminal Justice Education to address on the Skills Enhancement for the Barangay Tanod. It will capacitate the Tanods especially because they are expected to assist in the peace and order as an auxiliary force of the PNP. Crimes may arise if the public are not oriented on what to do if there are certain problems that would come up.
