Report on Grants & Scholarships

GOV. ALFONSO D. TAN COLLEGE
Maloro, Tangub City

April 6, 2016

DR. PATRICIA B. LICUANAN
Chairperson, Commission on Higher Education
UP Campus, Diliman, Quezon City

Ma'am:

Gov. Alfonso D. Tan College has been operated since 1984 as a local government funded post-secondary institution in Northwestern Mindanao. This is benefited by the economically-marginalized local residents of Tangub City by providing them an affordable higher education. However, with the global trends and dynamic changes in education programs, it is imperative that educators' qualification must also be upgraded.

With this idea, the administration takes advantage of sending some faculty members to avail the K to 12 Transition Scholarship Program for them to become more proficient educators in various aspects and able to practice the professional requirements of the teaching-learning process.

We look forward to your favorable consideration on this matter.

God bless and more power!

Respectfully yours,

ATTY. PHILIP T. TAN, CPA
College President
