

Republic of the Philippines  
CITY OF TANGUB

## FORMULATION OF EXECUTIVE-LEGISLATIVE - JUDICIAL AGENDA (ELJA) CY2020-2022

11 September 2019 Luxe Hotel Linketan Bagayao de Oro City

### Minutes from Open Forum of the Social Sector Presentation

#### Comments on Health

First to give comments on the presentation is from the Department of Health Region X Assistant Regional Director, Dr David Mendoza. He initially relates the needs of medical personnel of the City to the plan of the Misamis Occidental 2<sup>nd</sup> District Representative Hon. Henry S. Oaminal and Governor Atty. Philip Tan (former Tangub City Mayor) on the improvement of hospitals amounting to 20 Million in 2022.

DOH-X will try requesting the Congress to insert the Construction of Barangay Health Stations (BHS), including the equipment in all barangays in Tangub. With regards to infrastructure, there is no BHS in the proposal of Congressman Oaminal. There will be equipment to be provided for Concha Maria D. Tan Memorial Hospital (DMO-MH) for 2020 and one concern that needs to be prioritized is the availability of ultrasound for the hospital.

He inquired why would as the second cause of morbidity at the city and Dr Jance Bete immediately responded that since the City provides free Tetanus Toxoid, many residents and even from other municipalities avails the program. Dr Mendoza replied that the CHO should disaggregate their records of patients outside the city.

Dr Mendoza also commented on the of conduct water sampling and analysis. Dr Bete explained to Dr Mendoza water samples are brought to Oroquieta City where the only Water Sampling Machine for the whole province was available and processed samples every Tuesday only. These cause the delayed release of the analysis results for the monthly water sampling conducted by the CHO on the water refilling stations, hospitals, schools and other attended request for water analysis. Thus, the CHO proposed the procurement of Water Sampling Machine to DOH-X for possible funding to fast track processing of results that will cater the inter local water analysis.

Dr Mendoza suggested to specifically include in the Annual Investment Program (AIP) for Health the procurement of the machine, number of BHS personnel and different equipment needed which will serve as reference for the funding agencies. He added that all required manpower, infrastructure and equipment should be reflected in the AIP for 2020.

Planning Chief Leticia Dolores II Abao put emphasized that health centers were reported dislocated as one of the issues and needs by the city. As per mentioned by Dr Mendoza on the plan to improve hospitals, she informed the body that there is TRC in Tangub for 2020 amounting to 25 Million to be downloaded to LGU Tangub City from DOH-X. We supported the suggestion of Dr Mendoza that it is better to identify the needed BHS in ELJA document for easy identification and costing of PPAs. It should indicate the counterparts of the LGU and DOH-X. The DOH-X can provide the infrastructure and the corresponding equipment costing 1.2 Million for a small Barangay Health Center (BHC) and appropriately around 1.7 Million for bigger BHC. She shared that recently the Regional Development Council - X (RDC-X) passed the approved HFEPA Manual to be considered and implemented in all LGUs in Region X. She added that projects are not implemented readily which is the most common problem encountered by the department.

further. She said that if the LGU will proposed project based from the priority it must be taken into consideration the land title or Deed of Donaton the LGUs availability of providing the necessary manpower for the facility, maintenance of the building and the equipment provided by DOH-X once the facility is operational. If the LGU is requesting for equipment DOH-X will provide fully with more specific equipment for health center, birthing clinic and hospital, however, DOH-X will ensure that the LGU should also provide the supplies.

City Mayor Sir Jennifer Wee-Tan raised a concern to DOH-X related to the Rural Health Units (RHUs) problems. She emphasized that before she became the Mayor of Tangub, RHUs were constructed in some barangays in the city. However based from the report of the Barangay Chairmen and the City Engineer Lean J. Saturas, there was no courtesy call made from DOH-X and the part of the contractor to the LGU no Zoning and Building Permits applied, construction went on even without having necessary permits, and Barangay Chairmen were even forced by the winning contractor to sign documents. Further, she added that as per random inspection of Engr. Leah Saturas to the RHUs, it found out not compliant with the plan specifications. The LGU should also be informed of the projects for the city so the contractor can erect the facilities based from the prepared site development plan.

In terms of personnel for the facilities, Mayor Tan said that the LGU lacked of manpower for the facilities but if the Mandanas Law will be passed, the LGU is very much willing to implement the law.

ARD David Mendoza responded to the concerns raised by Mayor Tan with the Construction of RHUs in Tangub. He said that DOH-X requested the DOH National Office to have external validation of the projects in order to avoid biases. As to the pertinent documents for the projects, they were surprised that before they lay over the construction, the contractor was able to comply with the required permits. Mayor Tan replied to rechecked the documents submitted since as per record there was no permits applied for five projects located in the city. This is enough ground for the city to blacklist the contractor.

The PMC Chair, Mrs. Tessie Lomanta added to Mayor Tan's reply that the City Project Monitoring Committee (CPMC) inspects national and local funded projects regardless of the source of fund, however, they never had inspection on Barangay Health Stations under the funds of DOH-X.

Planning Chief Abao and Dr. Mendoza pointed out the importance of coordination with LGU and they ensure to involve the LGU prior and during the Bidding process.

#### *Comments/Suggestions/Reactions on Education:*

The TESDA Specialist, Ms. Honey Anriau Donio commented on the issue raised regarding the National Certification and TESDA to give discount on Assessment Fees. She made clarification on the assessment for Senior High because it should be a full package with DepEd. However, if assessment fees are not included in the package, the concern will be raised to the TESDA-X Regional Director to source out solutions about the fees. On the other hand, based on record there are three (3) registered Training Providers in Tangub: CADTC, Our Lady of Triumph (OLT), and the farm school "The Hoyohoy". In the concern of DepEd that students need to travel far to take the assessment for National Certification, TESDA provided a short-term solution. For the meantime since Our Lady of Triumph had their own equipment, the LGU may request TESDA-X to arrange the equipment be available in the conduct of assessment in the training institution so the student need not to travel far. But in long-term solution, she encourages the two (2) colleges to apply more programs and the later on the training provider can also apply for Assessment Center.

Moam Donio also shared to the body the scholarship programs offered by TESDA. Among are the training for Works Scholarship Program, Special Training for Employment Program, Private Education for Student Financial Assistance, and Universal Access for Quality Tertiary Education (New). She emphasized also that only those SLCs and IUCs registered in TESDA are prioritized. Since GADTC is a registered training provider and if they had more programs, TESDA could provide more scholarship slots for the benefits of the Tangubanons. Before she ends, she invites the colleges to add-on more program registration for the Tangubanons.

Mayo Tan asked the two (2) colleges to comment on the matters presented by TESDA operator Ms. Marlyn Aranaufigo.

Mr. Evelyn Tagacaula of NMSC-STI commented that up to date, the college is proposing two (2) programs for TESDA, the Automotive and Electrical and the status is now for validation by provincial TESDA. The college is also preparing documents for other programs like Bread & Pastry, Cockery and URM. Mr. Tagacaula did mention also the long term plan of NMSC-STI is to be the technology center where they can accommodate the training center and become an Assessment Training Center for the programs mentioned earlier. He hopes to achieve this goal in 2-3 years' time and gearing towards the scholarship offered by TESDA to better improve their service.

The GADTC Vice President for Administration Ma'am Bellafior Fernandez cited Security Services program applied to TESDA if the college would be able to comply with the requirements but still GADTC is still working on Bookkeeping and Midwifery.

Mayor Tan challenged the two (2) institutions to come up with more programs. She suggested to include in ELJA Proposal if there are needed equipment to be an Assessment Training Center because the LGU can find National Agencies to fund the equipment. She also reminds TESDA on ease of doing business transactions. Lastly, she addressed to the Provincial Planning Officers present to ensure that in every District there should be PPAs to cater the needs of the youth. She elaborated that if the youths will be going to get NC Certifications, many of the students cannot afford the transportation and allowances. She also encouraged the Provincial Planning Officers to include in their plan to provide assistance to identified government institutions for the two (2) districts to come up with registered TESDA training provider. She added that being in the government sector, we must support government institutions offering and/or opening training and assessment center. Mayor Tan committed to help GADTC and NMSC as training providers located in city and also seek Provincial Planning to include the same in their plans.

At this juncture, the Emcee, Dr. Mancelle Nueva proceeded with the open forum with Mr. Edgar Flores as the moderator.

The first to ask was Dr. Jose Pantoja where he asked the status of the Birthing Clinic. Dr. Janice Biete answered that in previous years, they are not required by DOH-X with the License to Operate. It was in this year that DOH-X, together with PhilHealth required to have the DOH license to be accredited with PhilHealth. As an update, the licensing is still on-going though the building from DOH-X did not pass their division licensing but the LGU complies the requirements asked by the DOH-X Licensing Division. Dr. Biete mentioned that she compiled the infra requirements and now still working with the documents and targeted to have validated and to be inspected by first week of October 2019.

Mayor Tan inserted her comment before Dr. Pantoja open his 2<sup>nd</sup> question and said to DOH-X to cut down their bureaucracy. A DOH-X project is given to LGU but it did not pass their own licensing requirements. Mayor Tan then asked DOH-X to comment on this.

Planning Chief Leticia Dolores II Abao replied that before there was really a discrepancy in the RLEP and HEEP. Just recently, it was harmonized, however, she said, there are still some issues in that area that DOH-X is facing.

Mayor Tan appreciate the presence DOH-X where they be able to hear our problem such might also be present to other LGUs. She also highlighted the problem on DilG to have harmonized talk with DOH.

Dr. Jose Pantoja raised his other concern to Dr. Evelyn Campocino, the DMDTMH OIC-Chef of Hospital. The following concerns are the drainage, water problem, manpower, training of professionals, and updates of newly constructed building. Ma'am Campocino answered that they are still waiting for the DOH-X to respond on their letter for action. She also mentioned that what is presented in the slide are only the major problem and other concerns were solved by Gov. Philip Tan in their project on improvement of 5 Hospitals in the province. Dr. Biete added that during the transition of Gov. Tan, they had a conversation with the Chef of Hospital with DOH-X and agreed that they will recognize the staffing especially the standard medical staffs. She also supported Ma'am Campocino on sufficient manpower of the hospital based on the

**President, Board of Audit, Finance, Standardization, the Office of Statistics Services, PHL-X, addressed the City Health Office.**

**Mr. Leonel J. Villanueva, Jr., President of the Board of Audit, Finance, Standardization, the Office of Statistics Services, PHL-X, in his opening speech, said, "We are here to support the Department of Education in its efforts to improve the quality of education and educational environment."**

**A representative of the City Health Office, Dr. Romy Quirino, Director of the Bureau of Health, said, "It is our desire to continue to work together with the DOBAS to improve the quality of education and learning environment for our children."**

**The City Health Office, headed by Dr. Romy Quirino, Director of the Bureau of Health, said, "The DOBAS has been instrumental in the development of our city's health programs, especially in the area of communicable diseases, non-communicable diseases, and mental health services."**

**Dr. Romy Quirino**

**The Mayor Rodel Zamora, representing Mayor Rodel Zamora, stressed, "We are very grateful to the DOBAS for their continuous support to our children. However, the City Health Office will continue to strengthen our partnership with DOBAS to resolve the problem."**

**Dr. David Mendoza**

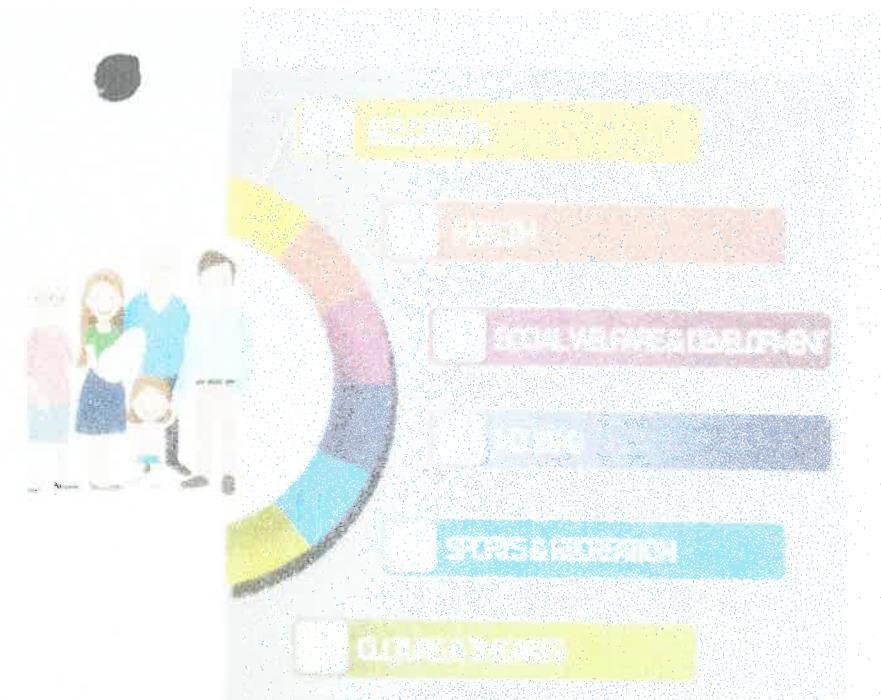

**Dr. David Mendoza of DOBAS X inquired on the fulfillment of the City of Batangas' obligation to driver still need to undergo BLS Training while the DOBAS required the City of Batangas to do so. However, PNRC declines to because according to them they should have a more stringent policy. There are still waiting for other individuals join the said training to respond to the needs of the public. Blete to send request to DOBAS Provincial Office because they have said that BLS Training is mandatory to be free for both hospital and City Health Office.**

**Engr. Joel Astillero also raised his support of the City having water sampling sites, monitoring water quality fast tract its procurement so that the ICWDO can immediately provide necessary monitoring equipment.**

**Dr. Angelina B. Baron of DepEd X commented on the low performance in the National Assessment Test (NAT). She explained that in the previous years it was more on content-based test of skills. Since 2016-2017 the NAT was focused on 21<sup>st</sup> Century Skills in which the students are not yet ready. Hence, the research from the Regional Monitoring and Examination Assessment shows that there are many factors that affect the performance of the students such as the ecosystem, absence of materials, low reading comprehension of the learners based on PHL-In Test results that shows lot of students were on reading instruction.**

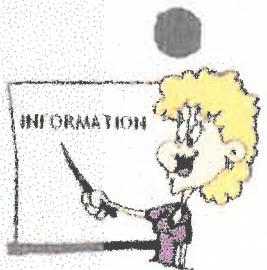

**Mayor Tan addressed to the Department Heads to free the mind for you to be able to think more. Also to be hit different competencies for the students.**

**With no other comments raised, the open forum ended for Social Sector.**

b) HH with sanitary toilet	13,200	13,200	100%

### Sectoral Goal (Health)

To improve access to health, nutrition and sanitation service.

### ISSUES & CONCERNES

#### City Health Office

Not all barangays have a Health Center

One water sampling analysis machine for the whole province

Manual recording of individual treatment records

Midwives' job status of employment

Dilapidated Barangay Health Centers

### PLANS/PROGRAMS/ ACTIVITIES

- Construction of new Barangay Health Centers

- Purchase and installation of Water Sampling Analysis Machine

- Implementation of Electronic Medical Record System and training among staff

- Lobby to City Council for the creation of positions for Rural Health Midwives

- Improvement/Repair of BHC

ISSUES & CONCERNS	PLANS/PROGRAMS/ ACTIVITIES
<b>City Health Office - Environmental Sanitation</b>	
Local Sanitation Code Formulation-City Council	<ul style="list-style-type: none"> <li>• Committee monitoring and planning workshop &amp; legislation</li> <li>• Local Sanitation Code Formulation, Review and Implementation</li> </ul>
Implementation of Solid Waste Segregation and Disposal	<ul style="list-style-type: none"> <li>• Solid waste management EIC</li> </ul>

Population Commission	<p>Unmet need for family planning on couples and Teenage pregnancies</p> <ul style="list-style-type: none"> <li>• Conduct IEC Drive</li> <li>• Facilitate Adolescent Sexuality and Reproductive Health (ASRH), Family Development Session (FDS) for Responsible Parenthood and Family Planning (RPFP) and KATROPA Classes</li> <li>• Request to increase trayd allowance of workers</li> <li>• Additional trained personnel</li> </ul>
No Pre-marriage Counseling (PMC) Team	<p>Presence of Mentally challenge/ill individuals</p> <ul style="list-style-type: none"> <li>• Organize of PMC Team through Executive Order and designate personnel</li> <li>• Request SP to craft resolution for the provision of facility to accommodate mentally challenge/ill individuals</li> </ul>

ISSUES & CONCERN	PLANS/PROGRAMS/ ACTIVITIES
<b>DMDTMH</b>	
Inadequate hospital beds	<ul style="list-style-type: none"> <li>• Construction of additional building and provision of furniture and fixtures</li> </ul>
Drainage problems	<ul style="list-style-type: none"> <li>• Const. of drainage system</li> </ul>
Insufficient water supply system	<ul style="list-style-type: none"> <li>• Const. of water supply system</li> </ul>
No Ultrasound Machine and Non-functional OR	<ul style="list-style-type: none"> <li>• Purchase of Ultrasound Machine</li> <li>• Inst. of equipment for Operating Room</li> </ul>
<b>PNRC</b>	
Lack of Blood supplies in MHRS Blood Bank	<ul style="list-style-type: none"> <li>• MBD/Blood Program on City Activities in Barangay Level</li> <li>• IEC Red Cross Activities/Blood Program</li> </ul>

## Sector Situation

0-59 Months Preschoolers Nutritional Status in 2017 and 2018

- Reduced rate of underweight and severely underweight 0-59 months preschoolers from 4.8% to 2.4% and 1.2% to 0.30%, respectively.
- Reduced rate of stunted and severely stunted 0-59 preschoolers from 17.4% to 11.4% and 10.7% to 5.6%, respectively.
- Reduced rate for Height to Weight Status of 0-59 preschoolers:
  - Wasted: 4.1% to 3.5%
  - Severely wasted: 1.9% to 1.5%
  - Overweight: 8.5% to 3.8%
  - Obese: 2.7% to 1.7%

### Day Care Centers

1,194 Day Care Pupils Graduated for SY 2018-2019

### Feeding Centers

1,194 Day Care Pupils Graduated for SY 2018-2019

## Programs

1. Family Welfare Program
2. Social Services for Senior Citizens
3. Women Violence Program
4. Child Protection Services
5. Parent-Child Counseling
6. Day Care Services
7. Assistance to Individuals in Crisis Situation
8. Program for Elderly & Persons with Disability
9. Assistance to Displaced Persons in Crisis Situation & Community & Family Rehabilitation
10. Binibay Ni Manila Program
11. Rural Rehabilitation and Rehabilitation of Ex-Offenders
12. Foster Care Referrals and Special Person Program
13. Domestic Plus Agency Program
14. Nutrition Program and Supplemental Feeding Program
15. DSWD Subsidized Housing Program

Domestic Plus Agency Program  
Subsidized Housing

Community-based Learning  
Community-based Training

Binibay Ni Manila Program  
to DSWD beneficiaries

Domestic Plus Agency Program  
Domestic Workers

Social Pension

**4PS ACTIVE BENEFICIARIES** decreased from 4376 in 2017 to 4245 in 2018.

## Other Accomplishments in CY 2018

**4050**  
women

- Women participated in 2018 Women Month Celebration

**21**  
families

- Conducted counseling of families with dysfunctional members

**10**  
cases

- Facilitated 10 VAWC Cases

**13**  
children

- Rescuing & removal of the child from the abusers

**7**  
CICL

- assisted & provided appropriate services w/in 6 mos.

**3886**  
citizen

- Facilitate releases of Social Pension

## Sectoral Goal (Social Welfare & Development)

To uplift the living conditions of distressed and disadvantaged families, and individuals enabling them to become reliant and active members of the community.

## Other Accomplishments in CY 2018

**5,800**  
Snr. Cris.

- Senior Citizens facilitated 58 membership and participated in Elderly Week

**150**  
AICS

- Provided with Assistance to individual Cris/Institution

**1,395**  
participants

- Participated in the Nutrition Month Celebration from Barangays and Dept/C

ISSUES & CONCERN	PLANS/PROGRAMS/ ACTIVITIES
Temporary shelter for children conflict with the Law (CICL)	<ul style="list-style-type: none"> <li>• Construction of Bahay Pag-aso</li> </ul>
Home for the Aged	<ul style="list-style-type: none"> <li>• Construction for the home of the aged</li> <li>• Designation of Foster Parent &amp; Workers</li> <li>• Full bloomers welfare assistance</li> </ul>
Dilapidated Child Development Centers	<ul style="list-style-type: none"> <li>• Repair/improvement and furnishing of CICL</li> </ul>
Need for additional social workers to handle specific programs	<ul style="list-style-type: none"> <li>• Request filling-in of vacant positions.</li> </ul>
Health & nutrition for senior citizen	<ul style="list-style-type: none"> <li>• Conduct nutrition education for Senior Citizen</li> </ul>
Persons with Disability (PWD)	<ul style="list-style-type: none"> <li>• Organization of PWD per Barangay</li> </ul>
Organization	<ul style="list-style-type: none"> <li>• Implement the Online Registration of PWD</li> </ul>

ISSUES & CONCERN	PLANS/PROGRAMS/ACTIVITIES
Increased number of juvenile cases Violence against Women and Children	• Conduct VAW Lecture
High prevalence rate of Stunted among 59 Preschoolers	• Education support on Supplemental Feeding • Conduct Information Education Campaign for the grand mothers in coordination with CDO, DSWD, DOH and PNS

## HOUSING

Inventories of Residential Subdivisions as of 2019

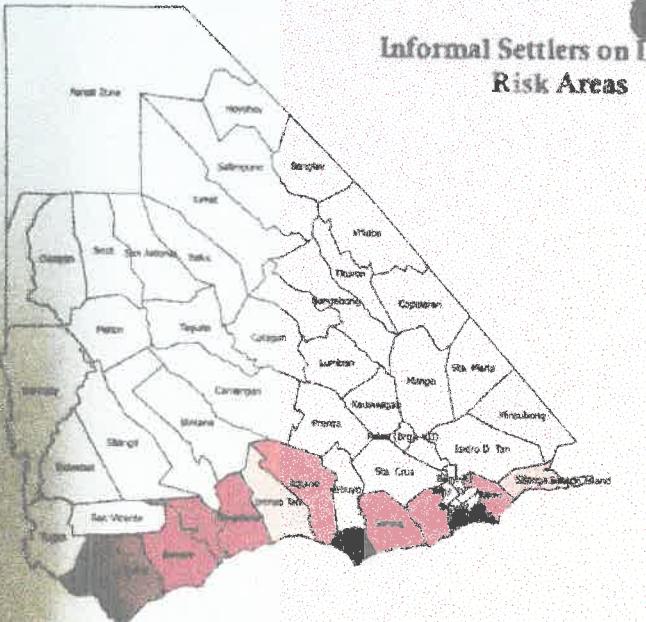

Name of Subdivision	Classification	Barangay	Area (Hectare)	No. of Lots/Units

**BARANGAY LORENZO TAN**  
Tangub City Misamis Oriental

## SITE DEVELOPMENT PLAN

## SITE DEVELOPMENT PLAN

### Other Accomplishments in CY 2018

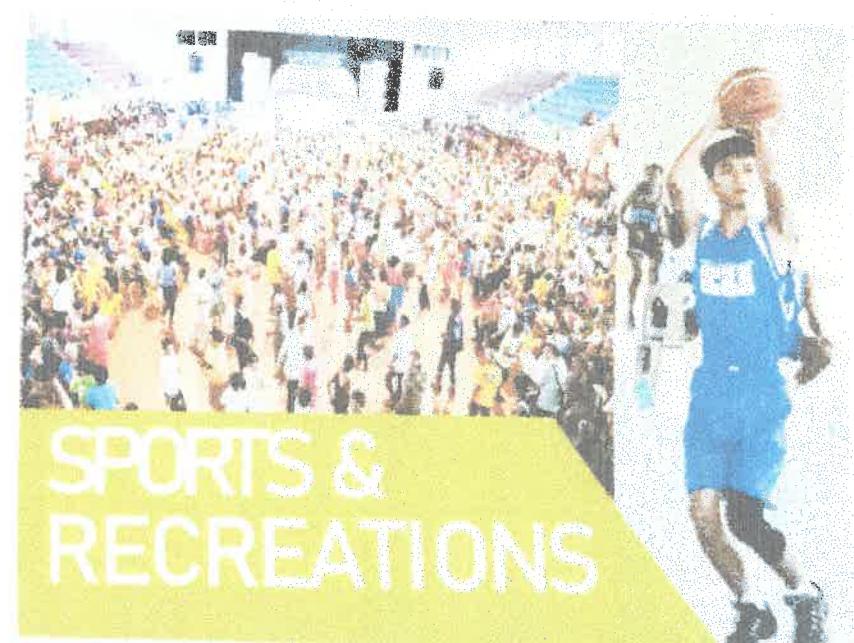

- Approved grant loan from NHA Region X 50M for barangay Balatacan Resettlement Project
- Approved Decree No. 234674 issued by LRA Quezon City LOT 106A, Ced-10-001471-D Cad Case No.7 GLRO Cadastral Record No. 1626 situated in the Barrio of Maloro, Tangub City.

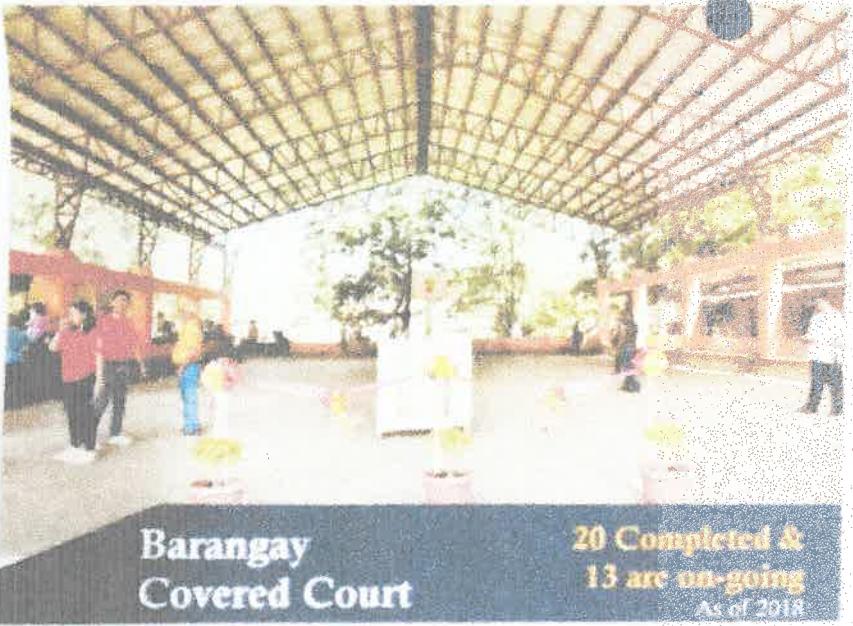

### Sectoral Goal (Housing)

Access to decent living of families and available resettlement area for vulnerable sector of the community.

ISSUES & CONCERN	PLANS/PROGRAMS/ ACTIVITIES
Informal Settlers in rural and coastal areas	<ul style="list-style-type: none"><li>• Tagging of squatters to all 55 barangays</li><li>• Request the Barangay to strictly implement laws, orders, ordinances relative to squatters and informal settlers' occupation</li><li>• Land Banking for resettlement</li><li>• Purchase land/Land banking for coastal barangays</li><li>• Site Development</li><li>• Construction of housing units</li></ul>
Illegal settlers in public domain	<ul style="list-style-type: none"><li>• Conduct demarcation of public domain boundaries in coastal barangays</li><li>• Monthly monitoring of the presence of illegal settlers by housing office personnel</li></ul>

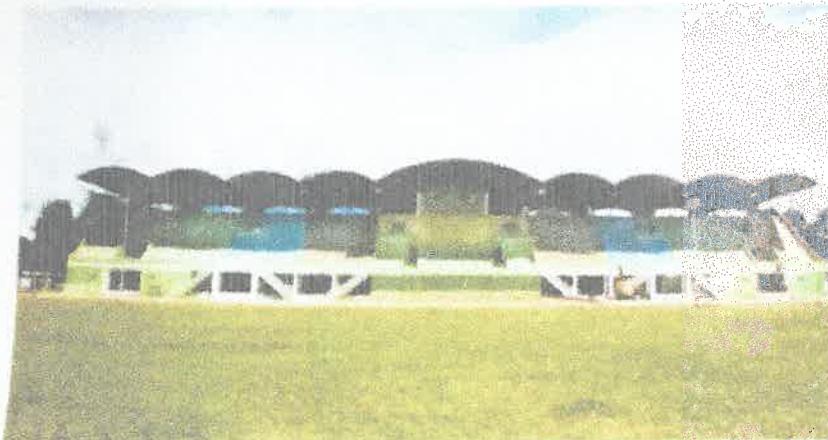

**Barangay  
Covered Court**

20 Completed &  
13 are on-going  
As of 2018

**Tangub City Sports Complex**

Rubberized Oval (On-going)

Indoor Sports Facility

Olympic size Swimming Pool

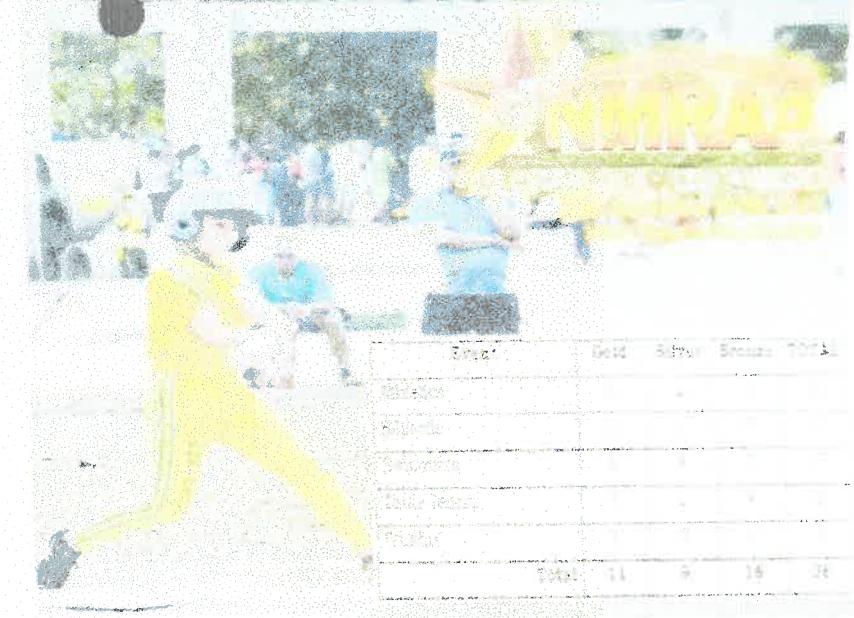

Archery Training Area

Mindanao Association  
of State Tertiary  
Schools (MASTS)

Regional Schools  
Press Conference  
(RSPC)

Northern Mindanao  
Regional Athletic  
Association (NMRAA)  
Meet

Sectoral Goal  
(Sports)

Improve access to sports,  
recreation

ISSUES & CONCERN	PLANS/PROGRAMS/ACTIVITIES	ISSUES & CONCERN	PLANS/PROGRAMS/ACTIVITIES
Necessity on Competent Trainers/Coaches and Lack Equipment and availability of Sports Equipment During Trainings/Practices	<ul style="list-style-type: none"> <li>Hire competent trainers and coaches</li> <li>Purchase additional standard sports equipment</li> </ul>	Insufficient of budget for sports program including budget for:	<ul style="list-style-type: none"> <li>Allocate budget for sports activities, including salary and traveling-expenses allowances of trainers</li> <li>LGU to benchmark with the Sound Program of NMSC-SI</li> </ul>
Low Support of Stakeholders to athletes	Sports Scholarship Program to Athletes (GADTC and NMSC-ST)	1. Sports activities	
No policy-making and coordinating body of all amateur sports development programs	Creation Of SPORTS COMMISSION	2. trainings of athletes	
Convenient venues for sports, recreation and public assemblies on 55 barangays	Const./Completion of Multi-purpose Building	3. Participation of Regional and National Competitions	
No venue to cater indoor sports games, trainings and seminars	Const./Completion of indoor Sports Facility	4. Salary of Trainers, Travel Allowance for Trainers	
		5. Purchase of Playing	5. Est. of accessible playing venues
		6. Maintenance of Playing Venues	

## Sector Situation

### Major Programs

1. Dañti Festival
2. Simanduloy Cultural Group
3. Miss Tingub City Tourism
4. Christmas & Santos Festival

### Other Cultural Activities

1. Heritage and Culture Week celebration
2. Grand Bayad
3. Tortadua
4. Santa Cruzan
5. Memorial Lectures on the life of Gov. Alfonso B. Tan
6. Folkdance Seminar and Workshops

ISSUES & CONCERN	PLANS/PROGRAMS/ ACTIVITIES
To avoid unimproved, outdated culture and the arts program provided by the National Organizer Lack of Culture and Arts Literacy	<ul style="list-style-type: none"> <li>• Participation on the National Dance Training and Dance Exchange Workshop</li> <li>• Creation of Philippine Folk Dance Society-Tangub City Chapter</li> <li>• Hosting of Regional Dance Workshop for Teachers</li> <li>• Creation of the Local Culture and the Arts</li> <li>• Conduct/Initiate activities that promotes Culture and Arts</li> </ul>
